

OUR MISSION

The mission of the Redwood Falls Community Youth Foundation is to enhance youth participation in community recreation and education

PURPOSE

The Foundation will provide scholarships to youth who may find that full registration fee for an activity is a hardship.

The Community Youth Foundation was formed by dedicated parents, along with the City Recreation Department and the Redwood Area Community Education Department in an effort to encourage participation in organized recreation and education activities and reduce “risky” behaviors in youth. This Foundation would also help families who have short-term hardships with finances so their children would be able to participate in organized activities.

Any child who resides in your home may be eligible for a scholarship including foster children.
