### Field Directory:

H.S. Fields (NORTH & SOUTH) - - High School Fields are located behind the Community Center.

Westside - - Located on west end of town by Perks Park (by the tank).

Johnson - - Located just north of Tersteegs.

## 2024 League Goals & Guidelines

### Overall Goals for the Program:

To provide a safe and fun environment which involves improving skills, learning fundamentals, and team play.

### Coaches Teaching Objectives:

**Safety:** Controlled atmosphere, applying rules

**Encouragement:** Positive reinforcement

**Responsibility:** requiring commitment to attendance and improving good listening skills

**Team Play:** teaching players to work together

**Fun Competition:** active involvement and instruction

**Equal Involvement:** everyone plays an equal amount, everyone receives individualized attention

**Improved Skills:** Constant feedback and training from the coaches through repetition

### Parental Concern:

If any parent has a concern, please talk with Sam Scheffler at 616-7432. Feedback is always welcome because often times it can serve to improve the program for all the participants.

### Weather Cancellations:

In considering any cancellation, the player's safety will be the most important factor.

KLGR AM will broadcast all cancellations as early as possible. DO NOT CALL KLGR. You may call the Weather Announcement Hotline at 616-7443 or the RACC at 616-7444.

### Arrival Time:

We ask participants to arrive **ON TIME**, ready to start play. We also need to make sure your child is picked up on time, because there are times when our coaches need to get to another field. When dropping kids off at the High School Fields please do not drive on the service road for the safety of the participants! Please park in the RACC lot and walk to the fields.

## American League Playing Rules (10:15a-11:30a)

-The distance of the pitcher's mound will be 45' and the bases will be 65'

-5 Inning Games or a 1-hour time limit.

-Coaches will pitch in this league! Each player will get a max of 7 pitches. If they are unable to put the ball in play within 7 pitches, it will result in an out for their team.

-A ½ inning consists of three outs or a team scoring a max. of 5 runs. If the offense scores 5 runs in one ½ inning and the defense doesn't record 3 outs, the runners left on base will be put at the same base the next inning. The last inning of each game, teams are allowed to bat until 3 outs are recorded.

-Stealing isn't allowed. Dropped third strike, batter is out; runners are still not allowed to steal.

-A player may not play one position more than three innings during the course of any one game. A player's position is up to the coaches' discretion.

-No player will sit more than 2 innings during the course of the game.

-Everybody will be in the batting line-up regardless if they are playing in the field at the time. Lineups are at the coach's discretion.

-Practice attendance will be kept. Unexcused absences will affect playing time and batting order. (Basketball, hockey camps, etc. are excused). Please notify coach one (1) week ahead of time.

-10 run rule after five innings.

- 15 run rule after three innings.

-The ruling on the field for all calls is final.
