League Goals & Guidelines

Overall Goals for the Program:

To provide a safe and fun environment which involves improving skills, learning fundamentals, and team play.

Coaches Teaching Objectives:

Safety: Controlled atmosphere, applying rules

Encouragement: Positive reinforcement

Responsibility: requiring commitment to attendance and improving good listening skills

Team Play: teaching players to work together

Fun Competition: active involvement and instruction

Equal Involvement: everyone plays an equal amount, everyone receives individualized attention

Improved Skills: Constant feedback and training from the coaches through repetition

Parental Concern:

If any parent has a concern, please talk with Sam Scheffler at 616-7432. Feedback is always welcome because often times it can serve to improve the program for all the participants.

Weather Cancellations:

In considering any cancellation, the player's safety will be the most important factor. You may call the Weather Announcement Hotline at 616-7443 or the RACC at 616-7444 OR check your email or the RACC Facebook page.

Arrival Time:

We ask participants to arrive **ON TIME**, ready to start play. We also need to make sure your child is picked up on time, because there are times when our coaches need to get to another field. When dropping kids off at the High School Fields please do not drive on the service road for the safety of the participants! Please park in the RACC lot and walk to the fields.

Peanuts League Playing Rules (9:00a – 10:00a)

- League will stress getting outs more than scoring runs.
- The distance of the bases will be 60'
- 5 Innings Games or 1 hour.
- Each inning a team comes up to bat, everyone on the team will have a chance to bat.
- When two uneven numbered teams play each other always bat the higher numbered people for both teams. Example 7 people vs. 10 people, 10 kids will bat for both teams.
- Runners can only advance on hit balls. There is no leading off.
- A player may not play one position more than two innings during the course of any one game. A player's position is up to the coaches' discretion.
- Everybody will be in the batting line-up regardless if they are playing in the field at the time. Lineups are at the coach's discretion.
- Practice attendance will be kept. Unexcused absences will affect playing time and batting order. (Basketball, hockey camps, etc. are excused. Please notify a coach one (1) week ahead of time.
- The ruling on the field for all calls is final.
